

# Prince William Family Recharge: Free Child Care

**Has your family been adversely impacted by COVID-19?  
Do you have a child with special needs? If so, you may be  
eligible for FREE child care services!**

Prince William residents can receive up to 20 hours a week of free child care between October 24 and December 4, 2020. Use this free time to work without interruptions, look for a job, get help supervising virtual learning, run errands or just get a much needed break. Eligible applicants must:

- Live in Prince William County.
- Be parenting a child or children with disabilities or other special needs.
- Be impacted by circumstances related to COVID-19.
- Be able to identify their own childcare provider. Formed Families Forward will conduct background checks for all child care providers. All child care providers will receive \$20 per hour.
